

Bay Area World Malaria Day Forum

April 25, 2025
UCSF Mission Bay

Objectives

1. To gather those working on and/or interested in malaria research, policy, and public health practice in the Bay Area
2. To reflect on global malaria trends and hear from global experts on the current malaria response
3. To exchange knowledge and updates on Bay Area malaria efforts
4. To create a space for informal networking and relationship building

Preliminary Agenda

Rock Hall, 1550 4th Street, San Francisco
8 a.m. to 12 p.m. PDT (in-person)
9 a.m. to 11 a.m. PDT (virtual)

Time	Topic
8–9	Sign-in, breakfast and networking
9–9:25	Opening remarks, malaria today and Malaria Elimination Initiative snapshot
9:25–9:50	Panel 1. Where do we go from here: malaria strategy and financing
9:50–10:30	Lightning talks from Bay Area researchers: evidence to impact
10:30–10:50	Panel 2. Opportunities for research, innovation and partnership
10:50–11	Closing remarks
11–12	Networking reception and refreshments
